NOTE
CONSEGNA FASE 1

A wide-angle photograph showing a dense forest of tall evergreen trees. In the background, a rocky hillside or mountain slope is visible, covered with sparse vegetation and patches of snow or ice. The foreground is dominated by the dark green foliage of the forest.

1998-1999
1999-2000

A wide-angle photograph of a coastal town at night. The town is built on a hillside overlooking a large, dark body of water. Numerous streetlights and building lights illuminate the town, creating a warm glow against the dark sky. The perspective is from a low angle, looking across the water towards the town.

A wide-angle photograph showing a dense urban landscape. The foreground is filled with the rooftops and facades of numerous buildings, mostly in shades of white and light grey. Interspersed among the buildings are several green trees of varying heights. In the far distance, a range of mountains is visible under a clear blue sky.

A wide-angle photograph capturing a vast residential complex in Beijing. The scene is filled with numerous modern apartment buildings, primarily in shades of white and light blue, arranged in a grid-like pattern. Interspersed among the buildings are patches of green trees and landscaped gardens, creating a balance between urban density and nature. The perspective is from a high vantage point, looking down at the sprawling complex.
